

Jason Jameson

Executive Vice President and Chief Customer Officer – HERE Technologies

Jason Jameson leads the Customer team at HERE Technologies. Jason joined HERE in June 2021, as Senior Vice President and General Manager for APAC, before assuming his role as CCO in November 2023. With over 25 years of experience working in business software and cloud solutions, Jason possesses extensive proficiency in managing sales and driving customer success across markets globally.

As organizations embrace location-based solutions for their digital transformation, Jason and his team are at the forefront of bringing the power of location to customers, partners and developers, across industries and markets, to solve business problems.

Prior to joining HERE, Jason worked at IBM, where he held a variety of executive leadership roles over the past decade. Most recently he led their public cloud business in APAC and was responsible for overall business management, including profit, revenue and bookings for Infrastructure-as-a-Service, Platform-as-a-Service and Software-as-a-Service.

Jason holds a Bachelor of Science in Business Information Technology from the University of New South Wales, Australia.
